ACT PREPARATION

Participants will engage in ACT prep tutoring to better prepare students for the demands of the ACT, including test-taking strategies, time-management skills, and academic skills through individualized instruction from highly trained ACT tutors. Higher scores on the ACT can mean the difference between going to college and getting into your dream

COLLEGE TOURS

What a great way to find out what the college experience really looks like. The Achievers Summer Program will include tours of Colleges and Universities. Institutions may include:

- Auburn University
- Tuskegee University
- University of Alabama
- Stillman College
- Trenholm State
- Huntingdon College
- Faulkner University
- Alabama State University

CAREER EXPLORATION

Professionals in various careers will lead teens in the discovery of unlimited professional fields which can be fulfilling personally, professionally as well as teach them to become contributors to their community. Teens learn about and participate in summer job opportunities and/or internships and professional organizations related to their field of interest to help get a jump start on their future...all through the guidance of adults who are successful in those professions.

CHRISTIAN VALUES CONFERENCE

July 15-19

For one week each summer, teens from across the United States come together at the YMCA Blue Ridge Assembly in Black Mountain, North Carolina to explore their personal values, share in spiritual fellowship, and develop new friendships. The YMCA Christian Values Conference provides an opportunity for young people to gain deeper insight into themselves while having non-stop fun during all the outrageous games, carnivals, songs and special events. Join us on the mountain this summer for a week of unforgettable memories!
